

AIR & SPACE EDUCATION

Our Mission Statement directs us to “Provide ...aviation education in the community.”

In order to compete at the Spring Southwest Section Meeting, it is necessary that all chapter members participate by reporting all such activity.

The three categories, and examples, are as follows:

VISITS

- | | |
|--------------------------------|----------------------------|
| A local Flight Service Station | A military base |
| An ARTCC | An airplane assembly plant |
| An air show | An aviation museum |
| An avionics or mechanic school | An aerospace conference |
| A balloon ascension | Any related place or event |
| A NASA location | |

PARTICIPATION

- (Actively participated in or assisted with)
- Local general aviation meetings
- Secondary school career days
- Flying club meetings (other than 99s)
- An exhibit or booth at an aviation function
- Elementary school programs
- Activities that support aviation in local, state or federal legislative committees
- Aviation oriented presentations to community organizations
- Writing an aviation article for non-aviation publications
- Placing aviation publications in school libraries
- Taking school children or scouts on airport tours
- Taking students, scouts or other groups for airplane rides
- Taking media person or public official for airplane rides
- Taking non-pilot for first flights or any related function
- Fly-ins
- CAP meetings

PRESENTATIONS

- | | |
