

**SFV 99s Auxtank**  
September 2003

Here's some news from your *temporary* editor, me (Jaye Howes).

Our August 25th meeting (really the September meeting) was packed with information:

- The fly-ins have been a great success, especially the one to Santa Maria.
- Chapter dues are due. \$25.00 made payable to SFV 99s.
- Brian Terwilliger, a filmmaker, is making a documentary on VNY airport and asked for our help.
- Robin Gartman, a 99 from the Palomar chapter is on the nominating committee for SWS and is looking for new faces to run for office. Naturally, she thought of our dynamic chapter, but has anyone volunteered to run??
- Saturday, September 20th, Whiteman Airport will have an Air Expo and Car Show.
- There will be a PAR reunion at the SWS meeting in Lancaster on October 3 from 3 - 6PM.
- October 18 & 19, Agua Dulce airmarking will be an overnight camping adventure, more info from Jennifer Miller.
- Sunday, November 2 in Pasadena, there will be a Sally Ride Science Festival. Bertie Duffy will arrange for us to be there.
- The holiday party will be held at Paula & Michael Sandling's home and will be a catered affair coordinated by Lilian Holt. Price info at next meeting.

WE NEED TO BE QUALIFIED AS PPT: Come to the October meeting and hear a safety seminar presented by our own famous rocket scientist and 99, Claudia Ferguson. Also consider the FAA Safety Seminars for the month of September in the Van Nuys area:

10th: "Examiner Discusses Check Rides"  
15th: "Alphabet Airspace"  
17th: "Wings/BFR Weekend"

Remember, now you can go online with the AOPA Air Safety Foundation and become Wings qualified and also qualified for P.P.T. The BIG PUSH is because we want to KEEP THE TROPHY!! See earlier emails from Jeanne Kirhofer and Dolores Mathews. Click here to go right to the site [www.aopa.org/asf/know\\_before/](http://www.aopa.org/asf/know_before/).

Lastly, but not leastly, HELP!, we need an editor for the Auxtank. Laurel Carpenter is not well enough to continue, although she is improving. GET WELL, LAUREL.

This was short, but I hope, newsy. Sure hope I didn't forget too much. You'll get more when someone volunteers to do this highly-important job.
